

### Production

The production division of Mikuma Cultural has some of the best audio and lighting equipment available here in Malabo. State of the art powered speakers for excellent sound quality, wireless microphones for special events and meetings,

LED and Intelligent lights for interior and exterior illumination.

We also feature custom lighting design for events, technical direction and planning for concerts, fashion shows corporate and special events.

We can provide custom staging, event staff and security. We believe in quality production

### Our Clients and Events Include:

Elite Models, SOFITEL le Golf, Marathon, Noble Energy, UNICEF, Exxon Mobile The Sullivan Foundation, HESS, and Medias Communications .

### Global Production Values Local Company Presence

We are based here in Malabo, we know the market, the venues and we have the contacts and the crew to get the job done on time.

Our experience and skills come from event production in NYC, Los Angeles and events here in Malabo at the Hilton, SOFITEL and the convention centers in Sipopo.

## EVENT SERVICES AND PRODUCTION

We Make It Happen

### Quality Production

To insure the quality of your event, all of our rentals include the crew and operations staff for the equipment and show.
